

PUPPY SOCIALIZATION

Young puppies need to be introduced to the world in a way that will help them be confident. The period from birth to 16 weeks of age is a critical socialization window. Safely expose your puppy to a variety of people, places, things and sounds while they are in this crucial developmental period.

Different People

- People with hats, beards, sunglasses
- Children of different ages
- People in wheelchairs, with canes or crutches
- Elderly people
- People talking loudly with hand gestures
- People laughing or crying
- Children running and playing

Different Animals

- Different size dogs
- Different age dogs
- Cats
- Other animal pets they may encounter -birds, horses, goats, chickens etc

Interacting with people

- Brushing and grooming
- Cleaning ears
- Clipping nails
- Checking teeth
- Bathing

Noises and Distractions

- Sirens, Car horns
- Thunderstorms
- Airplanes, Helicopters
- Bicycles, Skateboards
- Motorbikes
- Trucks
- Trains
- Trailers

Join
ALAA Pet PALs
(Preserving Australian Labradoodles)

Congratulations on your new Australian Labradoodle puppy!

Thank you for purchasing your puppy from an ALAA Member Breeder. The ALAA encourages you to become an ALAA Pet PALs. The one-time \$50 ALAA Pet membership grants you a lifetime membership with us. Additional dogs can be registered to your family membership for \$10 each.

Your Pet PALs membership provides:

- A yearlong subscription to Whole Dog Journal
- ALAA Connect - Online community exclusively for our ALAA Pet members to connect with other Australian Labradoodle owners and knowledgeable breed experts
- Social Media Features on our Facebook and Instagram accounts
- Discounts on useful products
- The opportunity to purchase your dog's pedigree

You'll Join the ALAA in their vision to:

- Protect and preserve the Australian Labradoodle
